

### Research Project Proposal

A proposal must be completed and submitted during Basic training, before a trainee can progress to Intermediate training. If the application includes details for ethics approval, simply note "refer to ethics application" where applicable and attach the application.

<b>Trainee Name</b>	
<b>Research Supervisor</b>	
<b>Title of Project:</b>	
<b>Aim/Objective of the project</b>	
<b>Summary of current literature</b>	
<b>Proposed study design / methodology</b>
