

# Invitation: Expert webinar on Local Anaesthetic Transperineal (LATP) biopsies in New Zealand

Join us on 14<sup>th</sup> October 2025 for a free 1 hour webinar exploring the impact of local anaesthetic transperineal biopsies on patient outcomes. Hear from Dr Simon van Rij and Dr Flavio Ordones, leading urologists who will share insights on the benefits of LATP biopsy, including recently published NZ data on cost-effectiveness and practical strategies for improving procedural comfort and efficacy.

 Tuesday, 14th October 2025

 6:00pm - 7:00pm NZDT

This webinar is designed for clinicians who want to learn more about the cost-effectiveness, efficiency and patient care benefits of LATP biopsy techniques.

A Q&A session will follow the discussion.

**Please RSVP by 7th October 2025** to secure your place.

Register now to confirm your attendance.

*Registrants will receive a webinar recording so please feel free to register and watch later if you cannot attend on the day.*
