Promoting excellence in Urology Nursing

## USANZ | NZUNS Conference Update - Important

After detailed discussions and consideration the USANZ NZ and NZUNS Executive along with the 2021 organising committee have made the decision to postpone the USANZ New Zealand Section | New Zealand Urological Nurses Society Inc Conference due to take place on Wednesday 20 to Friday 22 October 2021, in Auckland.

The executive and committee have decided to take a conservative approach — both in not trying to second guess possible lockdown levels come October; and to give you certainty about at least one aspect of your working lives! Please note the decision has not been made lightly, given the incredible amount of work that has gone into the organisation of what was shaping up to be an outstanding conference.

The committee have explored several options and we have made the decision to postpone the conference until **Tuesday 15 to Thursday 17 February 2022, Ellerslie Event Centre in Auckland**. We invite you to mark the date in your diaries and we look forward to seeing you in February 2022.

**Annual General Meeting:** Further information relating to the AGM will be notified in due course.

We understand this is challenging times for all, take care.

Updates will be provided on the conference website in due course: [www.urologynz.co.nz](http://www.urologynz.co.nz)
