This document sets out the policies and procedures that apply to the administration and management of membership of the Urological Society of Australia and New Zealand (USANZ). It addresses timeframes and mechanisms for invoicing and payments of subscriptions, processes and conditions for accessing concessions in membership fees, and member benefits entitlements. It also sets out the consequences of non-payment of membership and the processes and fees for seeking reinstatement.

The policy applies to existing and lapsed members as well as to non-members seeking admission to USANZ.

The policy does not apply to concessional member registrations that are made available to USANZ events or other activities.

Policy

1. **Constitution**

The classes of USANZ membership as well as the rules governing eligibility for membership, disciplining members or cessation of membership, and members' voting rights are established by the [USANZ Constitution](#). In the event of any inconsistency between this Policy and the Constitution, the Constitution prevails.

The classes of ANZAUS membership are set out in the ANZAUS Articles of Association.

2. **Admission into membership**

2.1 **USANZ**

The eligibility criteria for each membership class are set out in the USANZ Constitution and are available on the USANZ website. When submitting an application for USANZ membership, the applicant will be required to sign a written declaration that they agree to be bound by the USANZ Constitution and USANZ's [Privacy Policy](#).

All applications for membership require the approval of the USANZ Board of Directors (Board).

Application for membership forms can be downloaded from the [USANZ website](#).

2.2 **ANZAUS**

All Full Members of USANZ automatically become members of the Australian and New Zealand Association of Urological Surgeons (ANZAUS), subject to payment of the ANZAUS membership fee.

When submitting an application for USANZ membership as a Full Member, the applicant will be required to declare their agreement to be bound by the [Rules of ANZAUS Association Inc.](#)

3. Responsibility of Members to Advise of Changes to Contact Information

Members are responsible for advising the USANZ office about any change to their contact details, including their email address, postal address, billing address and telephone number.

Members may advise USANZ of any change through their [Member Dashboard](#) when they log into the USANZ website.

USANZ will not be held responsible for a member not receiving a notice, correspondence, invoice or any other document because the member has failed to keep their contact details up to date.

4. Membership fees – invoicing and payment processes

4.1 Annual subscription fees

The annual subscription fees are set by the Board during the annual budget process. USANZ strives to ensure that fee increases are limited to the annual CPI. The applicable CPI figure is the weighted average of the eight Australian capital cities for the September to September Quarter for all groups CPI as published by the Australian Bureau of Statistics.

Members may access their invoices and payment details through their Member Dashboard when they log into the USANZ website.

4.2 Components of a standard USANZ annual membership subscription

4.2.1 Base membership subscription fee

<i>Fee component</i>	<i>Payable by</i>
Base membership fee	All member classifications
GST	Australian resident members of all member classifications

4.2.2 Section Fees

The Base membership fee for Full Members includes a Section fee component. The Section fee is 4% of the Base membership fee (ex GST).

Section fees are accounted for separately within the USANZ Finance system. In the case of the NZ Section, the fees collected by USANZ are remitted to the Urological Society of Australia and New Zealand Trust – New Zealand Section on a quarterly basis.

Members who are on a USANZ membership concessional rate are not required to pay a Section fee. Refer to Clause 6 below.

4.3 Annual ANZAUS membership subscription fee – Full Members

4.3.1 ANZAUS membership subscription fee

All Full Members are automatically entitled to membership of the Australian and New Zealand Association of Urological Surgeons (ANZAUS).

USANZ issues renewal notices for the ANZAUS annual membership fee when it issues the USANZ membership renewal notice. ANZAUS membership fees collected by USANZ are remitted to ANZAUS on a quarterly basis.

In setting the amount of the fee payable in any subscription period, the ANZAUS Board has resolved to adopt the pricing principles applied by the USANZ Board as set out in Clause 4.1.

Under the ANZAUS Articles of Association, ANZAUS members who reside permanently in Australia are voting members. ANZAUS members who reside permanently in New Zealand are non-voting members of ANZAUS. The ANZAUS Board has resolved that New Zealand members receive complimentary ANZAUS membership.

<i>ANZAUS fee component</i>	<i>Payable by</i>
ANZAUS membership fee	Full Members – Australian resident only
GST	Full Members – Australian resident only

4.3.3 ANZAUS membership fee for USANZ members on a USANZ concessional rate

The ANZAUS Board has resolved that members who receive complimentary USANZ membership, or who are paying an approved USANZ concessional membership, will not be required to pay an ANZAUS membership fee. This has no impact on their status as voting or non-voting members of ANZAUS.

4.4 Reinstatement Fee

4.4.1 Authority

Contacting members for payment of outstanding fees diverts resources from the work carried out for the benefit of the entire membership. The Board has determined to impose the Reinstatement Fee to recoup the costs of such work. The USANZ Constitution provides for the Board to impose penalties, fees and other fines.

A former member who was removed from the membership register for non-payment of subscription fees may be reinstated by the Board, provided they meet the criteria for USANZ membership, subject to payment of:

- Any subscription fees outstanding as at the date of their removal from membership;
- A reinstatement fee; and
- Any other amounts owing to USANZ.

Example: A member was removed from the register in December 2020 for non-payment of their 2020 membership subscription. The member applies for reinstatement in January 2021. Reinstatement will be contingent upon the member paying the 2020 outstanding membership subscription and the reinstatement fee (2021 Rate: \$350, incl GST).

4.4.2 Reinstatement Process

Former members may seek reinstatement by submitting an application to the Board via the email: secretary@usanz.org.au. Applicants are not required to complete a new applicant form.

4.5 Subscription period, invoicing and reminder process

The subscription period is a calendar year, commencing 1 January and ending on 31 December.

Invoices and reminder notices will typically be issued according to the timeframe set out in the table below.

<i>Action</i>	<i>Details</i>
Membership Renewals	Invitations to renew a membership will be issued in the December preceding the commencement of the subscription period and will fall due on 31 December. Invitations will be issued electronically. The invitation becomes a Tax Invoice / Receipt upon payment.
Reminder 1	A Reminder Notice will be issued electronically to any member whose subscription remains unpaid as

	at the end of January. The first Reminder Notice will generally be issued in February.
Reminder 2	A second Reminder Notice will be issued electronically to any member whose subscription remains unpaid as at the end of March.
Final Reminder	<p>A Final Reminder Notice will be issued to any member whose subscription remains unpaid as at the end of May. This reminder notice will be issued both electronically and in hard copy and be sent to the primary postal address recorded in the USANZ member register.</p> <p>The notice will be accompanied by advice to the member that failure to pay by 30 June will result in their removal from membership in accordance with the processes set out under clause 5 below.</p>
Notification to USANZ Board	On or about 1 June, the Board will be notified of: the names of members with outstanding membership fees; confirmation that the required reminder process has been completed; and advice that those members will cease to be members of USANZ as at 30 June if the fees remain unpaid.

4.6 Payment methods accepted

USANZ accepts payments of membership fees by BPAY, Mastercard, Visa and American Express.

4.7 Changes to membership class or fee concessions applied mid subscription period

The membership subscription fee for a member who transitions between two membership classes, or who has been approved for a concessional fee during a single subscription period, will be charged at the applicable rates on a pro rata basis, by day. The basis for calculating the pro rata rates may result in the member receiving two or more invoices during a single subscription period.

The applicable date for membership class changes requiring the approval of the Board, will be the date of approval.

The applicable date for concessional fee changes, will be the date at which the circumstances that give rise to the eligibility for a concession commences, as set out in clause 6.1 (Eligibility criteria for concessions.)

5.1 Disciplinary action and involuntary cessation of membership

The authority and processes that apply to disciplinary action and involuntary cessation of membership are set out in Clauses 26 - 33 of the USANZ Constitution.

5.2 Resignation

Any member may at any time resign his or her membership of USANZ by notice in writing to the Secretary at secretary@usanz.org.au.

5.3 Removal for failure to pay membership subscription fee

Section 4.5 above sets out the minimum processes that will be followed to ensure members are reminded of any unpaid membership fees that are due.

Members who fail to pay their membership subscription fee by 30 June of the current membership period may be removed as members of USANZ without further notice.

Any person whose membership has ceased because of non-payment of membership fees may apply for reinstatement in accordance with the Constitution and this policy.

5.4 Refunds

If any person for any reason ceases to be a member of USANZ, that person will not be entitled to receive a refund of fees or subscriptions paid by that person to USANZ on account of that person's membership.

5.5 ANZAUS

A person who ceases to be a USANZ member will automatically cease to be a member of ANZAUS, as they will no longer meet the eligibility requirements set out in the ANZAUS Constitution.

A USANZ member in a member class that gives rise to an entitlement to ANZAUS membership, but who does not pay the ANZAUS membership fee, ceases to be a member of ANZAUS.

Relevant Date for calculating 30 years membership entitlement

Where the data is available, the 30 years membership will be calculated with reference to the original date the member joined USANZ.
