Expression of Interest: Urologist to provide services at St Stephen's Hospital in Hervey Bay

Visiting (VMO) opportunities available

We invite expressions of interest from passionate and dedicated urologists to join our dynamic healthcare community in Hervey Bay, a region known for its natural beauty, family-friendly atmosphere, and growing healthcare needs. This is an exciting opportunity to practice urology in a region where your skills can make a profound difference in patient lives.

- Role in urology clinics and in-patient consulting
- Beautiful regional location – Hervey Bay offers a relaxed lifestyle, stunning coastal landscapes, and a beautiful supportive community
- Affordable Christensen House accommodation options, directly across from St Stephen's Hospital
- Work within a multidisciplinary team of healthcare professionals committed to delivering high-quality, patient-centered care.

Essential Criteria

- Hold a Fellowship of the Royal Australian College of Surgeons (FRACS) or an equivalent higher specialist qualification
- AHPRA Registration

Join the UnitingCare family

UnitingCare is the second-largest Queensland employer, with more than 16,500 staff and 9,000 volunteers across our brands of UnitingCare, BlueCare, Lifeline, ARRCs, The Wesley Hospital, Buderim Private Hospital, St Stephen's Hospital, and St Andrew's War Memorial Hospital. When you join the UnitingCare family, you are part of something bigger. We are a proud not-for-profit with a compassionate and inclusive team who are committed to the work we do. People who want to make the world a little better through small moments that leave big impacts. For more than 100 years we've been inspired by our mission to improve the health and wellbeing of individuals, families and communities.
