

APPLICATIONS ARE NOW OPEN

We are pleased to announce the

2022 ANZUP Prostate Cancer Rapid Fire Program

18-19 November 2022 | Hyatt Regency Hotel, Sydney

Convenor

Jarad Martin

Assistant Convenors

Ciara Conduit

Cam McLaren

The 1 ½ day workshop will cover landmark clinical trials in prostate cancer.

Our target participants are trainees and junior consultants (first 5 years of practice) in **medical, radiation, nuclear medicine and surgical oncology**.

Successful applicants will be supported to attend this exciting initiative.

To apply please click [here](#).

Limited spaces are available.

Proposed areas to be covered include screening and diagnosis, localised disease, locally advanced disease, metastatic hormone sensitive disease, metastatic castrate resistant disease and supportive care.
