

23 September 2022

Dear Health Care Professional,

**Re: Availability of LUCRIN (leuprorelin acetate) Depot 3-month 11.25mg prefilled dual chamber syringe (PDS)**

We wish to advise that the temporary shortage of LUCRIN Depot 3-month 11.25mg PDS has now been rectified and LUCRIN Depot 3-month 11.25mg PDS (Pharmacode 2330156) is now available to order / prescribe.

Before prescribing please refer to the current approved LUCRIN Data Sheet for information on dosage, contraindications, precautions, interactions and adverse effects, available at [www.medsafe.govt.nz](http://www.medsafe.govt.nz).

We apologise for any inconvenience this temporary shortage may have created for you and your patients. Please contact AbbVie Medical Information on 0800 900 030 or by email at [medinfoanz@abbvie.com](mailto:medinfoanz@abbvie.com) with any enquiries.

Yours sincerely,
