

Post Fellowship Education & Training Transplantation Surgery Program

General Surgeons Australia

24 January 2022

To: Urology SET Trainees and Fellows

Re: Post Fellowship Education & Training (PFET) Program in Transplantation Surgery in 2023

The GSA Transplant Training Committee invites applicants to apply to the Post Fellowship Education & Training (PFET) Program in Transplantation Surgery.

The PFET Program in Transplantation Surgery is for Urology Surgeons. The program consists of two years Education and Training in Transplantation Surgery, following successful completion of the Fellowship Examination and SET Program requirements in Urology Surgery.

A portion of the program will include clinical research. Trainees will be awarded the Australian and New Zealand Certificate of Post Fellowship Education and Training in Transplantation Surgery following satisfactory completion of the curriculum requirements, completion of research requirements, a minimum of twenty four months clinical training, successful case load achievement and assessments, plus attendance of at least one Postgraduate Course of the Transplantation Society of Australia and New Zealand (TSANZ).

All trainees who have successfully completed the Fellowship Examination in Urology Surgery or are registered to sit in May 2022 and have appropriate medical registration are eligible to apply for the PFET Program in Transplantation Surgery. There will be a selection process and all eligible applicants will be considered by the GSA Transplant Training Committee. Interviews for the 2023 PFET Program in Transplantation Surgery will be held on **17 June 2022 via Zoom**, (Time TBC) and successful applicants will be notified by the GSA Transplant Training Committee. Information regarding the Selection process is available on the GSA website.

Should you require any further information, please do not hesitate to contact Liz Pedersen - Executive Officer, Post Fellowship Education & Training - Transplant Surgery on +61 8 8274 3791 or alternatively please email pfet@generalsurgeons.com.au

Yours sincerely

Mr Michael Fink, FRACS
Chair, GSA Transplant Training Committee
