

CREATING SOLUTIONS

Towards better health equity for all

Join us as we define solutions to the chronic health disparities that affect the people of Aotearoa New Zealand.

This will not be a chalk and talk fest. It will generate an outcomes document, along with a practical change agenda which will go to government.

Virtual conference

2-3 July 2021

To express interest email
conference@asms.nz

Co-hosted by ASMS and the Canterbury Charity Hospital Trust
